**T**his year, it's going to be bigger and better than ever, as Redken Connects provides a personal-based education experience to help advance your skills by inspiring you to take your professional edge to a whole new level. The programme this year kicks off with a new pre-show learning zone on PODS, showcasing live demonstrations for you to get up close and personal with your favourite Redken artists.

On the main stage you'll find out about the latest trends, tips and techniques from your favourite Redken artists, including Andrew Barton, Andrew Barton Salons, Billie Crago, The Chapot and, back by popular demand, Lee Stafford, Lee Stafford Salons, and Chris Moody, Moody Hair. The big finish will see the announcement of the regional winners of the Redken NYC Hair Awards!
